The Bettridge Centre is a wholly independent, community owned and run multi-purpose leisure centre in Newtonhill, Aberdeenshire.

Our aim is to provide local people with the best sports, arts, social and community facilities in the NE of Scotland. We pride ourselves on providing a high quality, friendly, welcoming service at a price our customers can afford.

We're pleased to report that in our 15th year - despite difficult local economic circumstances - the centre is busier than ever and in good heart financially.

2018 – 2019

Our aims for the coming year are to:

- Weather difficult economic conditions by continuing to provide first class sports, arts, and community facilities at an affordable cost
- Increase the number of people who use the centre, the amount of time the centre is used and the variety of activities we offer
- Recruit more volunteers to help us continue to develop
- Continue to build on our strong partnerships with local organisations
- Take an entrepreneurial approach to ensuring the centre develops sustainably into the future by re-developing the garage and improving the car park
- Train and develop our staff to deliver the best possible service to our customers
- Continue maintaining the fabric of the building to ensure the centre remains an attractive, welcoming and safe place to be
- Develop the environmental sustainability of the centre and take a proactive approach to reducing our energy consumption
